"As soon as the result of the California states, such threats can hardly be regarded life had power sufficient to keep him from election was known, many congratulations as merely for buncombe, but that the originwere tendered or sent to President Johnson. al purpose of the President to attempt vio-Whether he has also been felicitated on the lence upon Congress has become deepened mind, and trained intellect were much better Democratic gains in Maine we are not in- and intensified under the malign influence of fitted. formed; but his share of the credit is just as his private advisers. Congress will do its great in one case is in the other; or, to speak duty, regardless of these revolutionary prepmore bluntly, it is nothing in either. We do arations, let him be sure of that: and it false impression of that kind would be a drag violence. And, indeed, I am not quite sure expresses his regret: on the reaction, it may not be amiss to place that in the long run such a mad attempt

We happen to agree with him on a point on which he differs from his party; but that must not be taken as an indorsement of his maladroit, unstatesmanlike, unpopular administration. Mr. Johnson not being a Dem- gence :

from your party he has taken all his responsible advisers; on you has bestowed all his offices; he has kept you in power by mistakes and blunders more serviceable to you takes and blunders more serviceable to you takes and blunders more serviceable to you takes and whether you deem him a blessing or a bane, its origin is, in a blessing or a bane, its origin is, in this city under guard in a special train. He state Makek, its offices; the has keept you in a special train. He state Makek, its offices; the has keept you in power by misting of Congress, or when assembling or congress and an articles of impact or when assembling or congress and an article or congress and article or congress and an article or congress and article or congress and an article or congr either case, to be traced to your selection and from outlying points, and concentrated in your votes.

"In the recent talk about Cabinet changes, the Republicans have been willing to favor the impression that Mr. Johnson intends to form a Democratic administration. Even if form a Democratic administration. Even if form a Democratic administration. Even if the Republicans have been made there of parties sushe were willing, and representative Democrate would consent, such an arrangement would be every way undesirable. Its only effect would be to render the Democratic party responsible for blunders and mismanagement, perpetrated against its judgment and in contempt of its wishes. We should gain a few paltry offices without influence, and go into the Presidential election vulnerable by all the weapons which the Republicans hurl at Mr. Johnson. As he gave us no he were willing, and representative Democrate would consent, such an arrangement baldi and his followers.
